

Sunscreen Permission Form

When the sun's rays are particularly strong and the children are spending more time outside, it is very important that their skin is protected.

Please sunscreen your child before coming to BLC in the morning. After nap time, we will provide Children's Ombrelle sunscreen.

Please inform us in writing below if your child is bringing his/her own sunscreen. Your signature below authorizes us to apply only Sunzone Children's sunscreen on your child.

Child's Name: _____

Parent's Signature: _____

Date: _____
